Assignment 1

Create a simple process that has an output

Simple step on how I make my matcha drink

1. Prepare all the necessary ingredients and utensils i.e cup, spoon, and milk frother, matcha powder, milk, ice, and sugar.
2. Put a half teaspoon of matcha powder in the cup
3. Pour a little hot water
4. Mix it using the frother
5. Now, in another cup put a milk and sugar then, mix it well
6. Get the cup that has matcha then pour it in the cup that has milk
7. Mix it well, and add an ice cube.
8. A delicious matcha ready to drink
